re Dep com's power to suspend mlcl resolutions

Section 194 of the Town mlcl Regn, 1933 does not seem to apply to this case, as no injury to the public or breach of the peace is directly involved. The dep com may perhaps be asked to impress upon the mlcl the necessity for acquiring the piece of land in question and ask

SIR

I have the honor to forward, herewith, the records relating to the acquisition of a portion of land in order to open a street to connect the same with the Main Bazaar Street in Madhugiri Town The street has been opened for a great length from one end and only a small bit has to be acquired for the above connection with the Bazaar Street In the small area which is now proposed to be acquired, it is not possible to construct a building on sanitary lines The opening of this area will give good light and ventilation to the adjoining houses which are in an insanitary condition The proposal is a very good one but the Municipal Councillors have resolved that this area may not be acquired This is a very perverse view that the Council has taken This seems to be due to the opposition against the President which has not yet died down in this council The reasons given by the Council for not acquiring are merely for the sake of opposition I am not quite sure under what section, I can take action to veto the resolution that this land should not be acquired It is doubtful whether section 194 of the Town Municipal Regulation is applicable to the case, as no injury to the public or breach of the peace is directly involved It was lawful for the Council to have taken action under section 10 D(i) of the Town Municipal Regulation But it does not choose to take action although the measure is in the best interests of Town Improvement As I have already stated the acquisition of this site will remove congestion, give connection

connection to an important road and render other insanitary buildings more sanitary I solicit instructions whether I may veto the resolution and if so under what section

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Tumkur District
